About ZWSI

Zero Waste Society of India (ZWSI), an initiative of the Electrochemical Society of India (ECSI) at IISc Bengaluru, promotes sustainable environmental management. It unites industries, technologists, and communities to drive initiatives in waste reduction, recycling, and renewable energy. The Society also fosters student innovation, technology transfer, and awareness programs. log on to www.zerowastesociety.in

What is Greenovate'25?

The prodotion aims to bridge the gap between ideas and action. With rising environmental challenges, there is a need for innovative, low-cost, and scalable solutions.

Greenovate'25 is conducted to spark creative thinking, promote eco-entrepreneurship, and build a culture of sustainable innovation among youth.

Why Greenovate'25?

Greenovate'25 is a one-day sustainability-themed Prodotion (Product Development Hackathon) organized by the Zero Waste Society of India (ZWSI) at IISc, Bengaluru.

It challenges participants to design and prototype green innovations that tackle real-world environmental problems such as waste, water management, and plastic pollution.

Who Can Participate?

- ✓ Students (UG, PG, or PhD) from any discipline
- ✓ Faculty members from academic institutions
- ✓ Startups working on sustainability or environmental solutions
- ✓ Industry professionals with innovative green ideas

Themes

- ✓ Waste Management
- ✓ Water Management
- ✓ Plastic Pollution

Registration Details
